

MYSTATE FOUNDATION GRANT APPLICATION GUIDELINES

Grants of up to \$10,000 may be extended to groups who can strongly demonstrate that the youth of Tasmania will benefit greatly from this level of capital injection into their program or project.

Please read these guidelines before proceeding with your grant application. This will determine if your organisation and project is eligible for funding.

If you have a question not covered in these guidelines or on our website, please email foundation@mystate.com.au

Good luck, we wish you great success in your endeavours.
